

**THE DIRECTOR OF
CENTRAL INTELLIGENCE**

15 May 1986

National Intelligence Council

NOTE FOR: Hal Ford
AC/NIC

FROM: David W. Einsel, Jr.
NIO/AL

SUBJECT: NIE 11-17/86, Soviet CBW

We have taken account of the DCI comments,
tightened up and shortened the Key Judgments
and added detail to enrich the estimate
(while keeping it down to 16 pages), so it
could stand alone.
